IMPORTANT:
These shop drawings are our interpretation of the contract documents. It shall be the responsibility of the General Contractor (or Construction Manager) to review these drawings for compliance with the design intent and Contract Documents. When these drawings are returned with "Approved" or "Approved As Noted" or "Reviewed" stamped on them, it shall constitute the General Contractor (or Construction Manager) and Architects agreement that the shop drawings do comply with the design intent and the contract documents.

DO NOT SCALE PLANS:
Copying, Printing, Software and other processes required to produce these prints can stretch or shrink the actual paper or layout. Therefore, scaling of this drawing may be inaccurate. Contact the Glazing Contractor for any additional dimensions or clarifications.
